Remembering long time residents

Daniel Elwood Stockwell Sr.

5.26.1942 - 9.15.2009

Dan was a creative, caring member of our town and served us well. His gentle guidance as principal of the Monadnock Regional High School for many years was one example of his ability to be a leader. He was a talented artist, a wonderful husband, and father and twin brother. He enjoyed his home in Roxbury, his family and neighbors. He gave his best during his time as Selectman. We thank him for serving this town and community.

2009 Town Auditor's Report

This report is to certify that I have examined the books and records of the Town Clerk, Tax Collector, Selectmen, Treasurer, and Trustees of Trust Funds for the fiscal year ending December 31, 2009.

I find that these books and records reflect an accurate accounting of the Town's financial condition from the perspective of these offices.

I would like to thank the Town Officials who all work very hard to keep the Town's business functioning properly.

**Respectfully submitted,
Alice Funk

SCHOOL NEWS

By Karen Cota

Our town pays \$513,188.00 a year to the Monadnock Regional School District for 21 students. The simple math is about \$24,000 a student. There are about forty factors that go into the calculation, so it really isn't that simple. It would take a complex math equation to give us our accurate cost per student that we pay. However, we can reasonably say we pay more for our students than other towns in our district. Why so much? Several years ago the formula for calculating the cost to the town was changed to a 50/50 formula. Meaning 50% is figured by ADM (average daily membership) and 50% assessed value. We also pay 100% assessed valuation for capital improvements.

So what to do? We can stay the way we are or we can investigate withdrawing from the district. We could investigate if we could send our students to Harrisville, Marlborough or Keene. Withdrawing isn't easy. It is a two year commitment to meetings, estimated cost of 10 to 20 thousand dollars, and a district wide vote that would have to be affirmative to allow us to withdraw. We would become our own district, which puts the entire cost of educating our students on ourselves. This would mean that if we were successful, we would pay the tuition cost to Keene or another district. Tuition currently to Keene is approximately \$12,000.00. Whatever the tuition cost was we would have to pay it. Special education presents another dimension as well. Special education cost can sometimes be upward of \$100K or more for out of district placement. That as well, would be on our shoulders. However, we might be able to set up a reserve account to offset any unexpected increase in enrollment or special education.

Of course money isn't the most important factor in the discussion regarding withdrawing. The quality of education is and should be the first priority. I personally feel that our teachers, administration and maintenance staffs do an outstanding job with what they have to work with. I believe that our students care about their education and each other. Monadnock has a sense of community that sometimes can be lacking in the larger schools.

However, in the last 13 years since we became a SB2 district (school ballot vote) we have had 6 budgets that were below default budgets and 2 proposed budgets that were purposely set below the default so maintenance articles would have a better chance of passing. The change to SB2 district was spear headed by the president of the Taxpayers Association, Mr. Dick Bauries. We have seen sound and practical maintenance projects rejected and as a result of all of that our high school accreditation is at stake. We have been on probation for three years.

The Selectmen feel that if there is any interest in looking at our options to educate our children, then we should form a committee to look into other possibilities. If there are any towns folks interested in forming a committee please contact the selectmen.

The Roxbury Scholarship Fund was established in 1994 for the purpose of acknowledging Roxbury's graduating high school students. The fund's long term goal is to establish a permanent reserve to support the scholarship fund. The continuation of these goals is dependent upon \$10.00 per person membership dues and additional donations to become an "outstanding" member supporter. A monetary award is presented on behalf of all the citizens to each of Roxbury's graduating seniors at the annual "Monadnock Regional High School Senior Awards Event" held each June. Anyone interested in making the presentation on behalf of the residents should contact a committee member by the first of June.

Anyone wishing to fill a committee post or participate in any way, attend, and/or make the presentation, please contact a committee member. Carol A. White: Treasurer (Acting Chairman/Secretary) and Josh Hicks: Co-treasurer.

REPORT OF THE FIRE CHIEF

The year 2009 was a busy year!

I would like to take this opportunity to thank our area towns for their assistance through out the year.

Southwestern Fire Mutual Aid has implemented a new reporting system for the area towns to report their fire calls. This system is called "Firehouse". It allows us to be in compliance with state regulations so that we may be eligible for additional grant money in the future. We will be using this system to record all fires in the town.

I would like to remind everyone to be cautious when using alternative fuel sources during these hard times.

A REMINDER: All outside fires require a fire permit when there is not complete snow cover and this includes all outside fireplaces, even the metal ones you can purchase. You can obtain a permit from myself, Deputy Tim Mason, Deputy Buddy Mattson and Police Chief Gary LaFreniere.

Respectfully submitted,
Allen J. LaPlante
Fire Chief

Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdf.org.

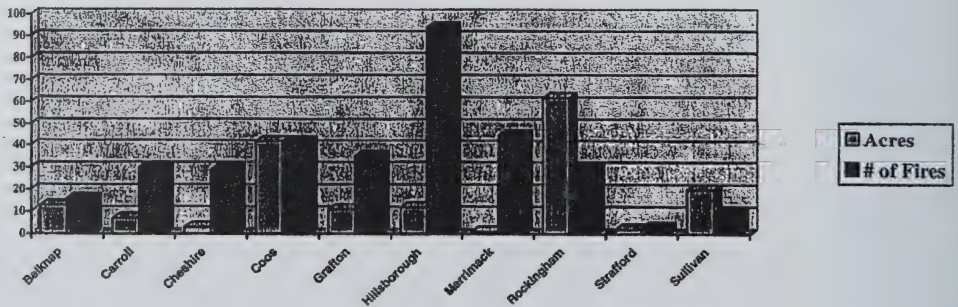

Spring fire season was unusually short this past year, with wet weather beginning the third week in April and lasting virtually all summer long. Consequently both the number of fires and the number of acres burned were below the last five year average. Due to state budget constraints, the staffing of our statewide system of 16 fire lookout towers was limited to class III or higher fire danger days. Despite the reduction in the number of days staffed, our fire lookout towers are credited with keeping most fires small and saving several structures this season due to their quick and accurate spotting capabilities. The towers fire spotting capability was supplemented this year by contracted aircraft and the Civil Air Patrol when fire danger was especially high. Surprisingly the largest single fire this year occurred in late November during an unusual dry spell, in the northern Coos County town of Clarksville. This fire burned 17.1 acres and is presumed to have been caused by a careless hunter. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2009 season threatened structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

ROXBURY POLICE DEPARTMENT TOWN REPORT FOR 2009

The Roxbury Police Department had a very busy year showing about a 5 to 7% increase in calls and court time. Normal patrolling was done off and on, as problems arose, but due to several grants, special patrols took place during most of the summer. During the special patrol, emphasis was given to Babbage Dam, Otter brook Dam, Woodward Pond Dam, and Class six roads, Branch road, Rte. 9 and Middletown Road. It takes a lot of planning to give the best police coverage while keeping within the town budget. Investigation time, court time and administration time were up to an all time high, compared to past years. Patrols also increased with the addition of Friday and Saturday night's patrols during the summer. Automotive and civil complaints seem to be on the increase. Again, I would ask that if you see something suspicious in your neighborhood to report in right away. We are not on patrol on a full time basis, so it's hard to know if there is a problem in your area, unless you report it.

Chief Gary LaFreniere: serving since 2001

Officer Matt Bloom: serving since 2007

Officer Shayna Whitcomb: serving since 2009

The Roxbury Police Officers work different shifts, which allow more coverage day and night to handle calls. To contact an officer: **call 911 for emergencies or 355-2000 for non-emergencies**. By calling these numbers you will connect to the dispatch center, which has capabilities of paging the officers, as well as, calling them on the phone or radio. The Police Department has a new telephone number for the **fax: 352-7052**.

ROXBURY HIGHWAY SAFETY COMMITTEE

Help sponsor annual DWI safety patrol for Roxbury roads.

Concerning Facts:

More than 42, 000 people die every year in motor vehicle crashes and almost 3 million are injured.

Motor vehicle crashes are the leading cause of death for people between the age of 4 and 34.

Based on miles driven, teenagers are involved in 3 times as many fatal crashes as all other drivers.

During 2007, 14,726 people were injured and 129 people lost their lives in motor vehicle crashes in New Hampshire.

Of the people who died, 25 were on motorcycles.

The majority of the people who died were not wearing helmets or seatbelts.

Please be safe while driving...

2009 ROXBURY PLANNING BOARD REPORT

There were no requests for subdivisions in 2009, however there was an application received April 1st from KJK Wireless for a Conditional Use Permit and Site Plan Review for a cellular telephone tower to be located on Houghton Ledge Road. After Public hearings on May 6th and continued on May 27th, and a further duly noticed Public Hearing on June 17th, continued on July 15th and further continued to August 5th and August 19th, the Permit and Site Plan were approved with specific conditions on August 19th. However construction cannot start pending a review by the NH Division of Historic Resources. No decision from NHDHR has been announced as of this date Feb. 3, 2010.

Some further work as been accomplished on maps for the Roxbury Master Plan. The Board decided to write an entirely new Plan rather than to try to revise the 1982 version. The Land Use section is the only remaining required section for the new plan.

The Board spent the rest of the year updating the town's Telecommunications Ordinance, drafting three changes to be put on the town meeting Warrant for vote by paper ballot. A duly noticed Public Hearing on the proposed changes was held on Jan. 19th 2010.

Report of the Trustees of Trust Funds 2009

photo by S. R. Gilcreast, Jr.

Since part of my responsibility as Trustee is to write this report, a search for a topic of interest begins soon after the holidays. This year, I had several ideas and photos to choose from and subsequently research.

There are a number of fascinating 'stones' in the Roxbury Cemetery, but something about the Nims family headstone caught my eye and interest. Who were they and what did they do here? The stone, marked at the top reads: *Children of Matthew & Lucy Nims*. There are eight names carved into the stone.

Lucy (Brown) and Matthew Nims were married in 1802. Their first child, Hiel, was born in 1804. He died in 1827, twenty-three years later. The rest of the children lived to be a good deal older; anywhere from 40 to 82 years. Obviously, their parents kept them hale and hearty; in those days, no small feat.

My relationship with computer "on line" is shaky at best, but I entered Matthew's name in the appropriate box and up popped the History of Roxbury. A quick scan produced the line: "The best grade of granite is found in the southern part of town, where the first quarry was opened by Matthew Nims."

Roxbury, this history of NH continued, was a territory "broken and uneven - a succession of rocks and hills." (The author felt the name "Rocks-bury" would have been more meaningful.) The surroundings seemed to suit the Nims family, however. Second son Reuel Nims grew up to become a carpenter, a Nelson shopkeeper and Justice of the Peace. Kendall, the third son, who never married, became the Roxbury Town Clerk, a selectman, a Justice of the Peace, a town representative and a fife-major in the militia. Brigham, also born and raised on the Nims farm, enjoyed farming but for several years was the Superintendent of Schools as well as a town representative. Gilman married a young lady from Nelson and they raised six children. He, too,

became a selectman. Regretfully, he was struck by lightening, suffered complications and died. Laura Nims arrived in 1815 and I imagine, after 5 sons, Lucy was delighted. Her next child, however, was another boy, Rufus, who lived on the Roxbury farm until he married. Lucy and Matthew's last child was a girl who they named Lucy, after her mother. She eventually married, had 2 children and lived to be 73 years old. The farmhouse the Nims children grew up in was built by their grandfather, David. It still stands and is the oldest house in Roxbury.

Now, when I pass the headstone for the children of Matthew and Lucy Nims...I whisper a silent thank you...for their sense of family and community...and for a glimpse of knowing who they were and what they did here.
